2. Who is eligible to take Silicon Andhra ManaBadi Telugu as World language course?

A. Any Fremont Union High school District high school student is eligible to take Telugu course for high school graduation or for applying to UCs/ CSU/ private universities

3. Do I have to enroll in another world language course in addition to Telugu course?

A. Students who successfully complete a year- long course with Silicon Andhra ManaBadi may receive 10 elective credits to apply toward meeting the overall number of units needed for high school graduation. Students may only transfer 40 credits from outside institutions to their high school transcript. Students may only take 70 credits per year, this includes summer school, athletics and courses taken outside of the school day.

4. Will the student receive credit on their high school transcript?

A. Yes, follow procedure on earning credit on FUHSD transcript form community language schools (see the attached document). Also refer to the document- Request for credit from outside educational institution.

5. Can a student take the course in 7th grade or 8th grade and continue in high school?

A. Yes a student can begin in 7th or 8th grade, since the district will allow a max of 4 years or 40 credits from outside institutions. FUHSD student must get prior approval from high school Assistant Principal prior to beginning the course. Students can apply for pre- approval between now and end of August 2016, to enroll in the class for 2016-17.

6. **Where are the classes offered?** Students can attend Saturday classes at Fremont High school from 3 -5 pm.

7 **How will my child receive the credit from their school if they are not attending the class on school campus during the day?**

A. It is student's responsibility to follow the steps mentioned in # 4.
