SiliconAndhra ManaBadi- Fremont Union High School District Community Language School Partner

1 What is world language?

A. World language is an elective that students are required to complete as part of high school graduation requirement. In addition, world language course completion is also required to apply to UCs, CSU (California State Universities) and Private universities (including Ivy League schools).

FUHSD requires students complete 1 year (10 credits) in two of three areas (World Language, Applied Academics, or Visual/Performing Arts) as part of the high school graduation requirement.

*CSU require 2 years of world language

*UC s require 3 years of world language (but 4 is recommended). In addition, all private universities require 4 years of world language course.

2. Who is eligible to take Silicon Andhra ManaBadi Telugu as World language course?

A. Any **current** Fremont Union High school District **high school** student is eligible to take Telugu course for general elective credit.
These credits may be applied toward high school graduation requirements. Colleges and universities, including UC, CSU, or private universities may consider Telugu coursework for fulfilling World Language or “Language Other Than English (LOTE)” requirements, but you will need to check with each college or university as policies differ.

3. Do I have to enroll in another world language course in addition to Telugu course?

A. Current FUHSD Students who successfully complete a year- long course with SiliconAndhra ManaBadi may receive 10 elective credits to apply toward meeting the overall number of units needed for high school graduation.

4. Will the student receive credit on their high school transcript?

A. Yes, current FUHSD students may apply for pre-approval from their high school administrator for outside credit to be included on the high school transcript.

Follow the procedure on earning credit on FUHSD transcript form community language schools (see the attached document). Also refer to the document- Request for credit from outside educational institution.

Please note that students must obtain approval from the high school administrator prior to enrolling in the course. Students may **only transfer 40 credits from outside institutions to their high school transcript over four years**. Students may only take 70 credits per year, this includes summer school, athletics and courses taken outside of the school day.

5. Can a student take the course in 7th grade or 8th grade and continue in high school?

A. Coursework completed in 7th or 8th grade is not eligible for approval to be included on the high school transcript. FUHSD does not include coursework completed prior to high school on the transcript.

6. How will my child receive the credit from their school if they are not attending the class on school campus during the day?
A. It is student's responsibility to follow the steps mentioned in # 4.
