Township High School District 214-FAQs

1. What is World Language class?
A. It is a language class other than English that the students take during their 4 years in high school. Dt 214 has approved SiliconAndhra ManaBadi to offer Telugu as World Language transfer credit class.

2. What is World Language transfer credit?
A. If a student completes a year's coursework in high school from SiliconAndhra ManaBadi, (s)/he can earn credit for that level and there by transfer the credit to their high school transcript.

3. In addition to completing Telugu coursework with SiliconAndhra ManaBadi, are the district students required to take an additional World Language coursework in school to fulfill graduation requirements?
A. As per district graduation requirements,
One year of art, world language, music, or career and technical education (Applied Technology, Business Education, Family and Consumer Sciences) is needed to graduate from High school. However, Universities and colleges require 2- 4 years of language study.

4. How does a student earn transfer credit?
A. Notify your high school counselor prior to the start of your high school Fall classes. Also, inform your location coordinator prior to enrolling in Telugu class. Register in ManaBadi.Upon successful completion of the course, we will send the transcript to your high school.

5.My child is a ManaBadi graduate. Does (s)/ he still have to enroll in ManaBadi class again to get high school credit?
A. Yes. If your child completed Prabhasam prior to grade 9, (s)/he is required to enroll in Prabhasam only and on successful completion, will earn1 high school credit.

6. When is the deadline to register for Telugu class?
A. August 31st.
